

BIOG

Honey Remixed represents a **new**
era in live music. The **awesome**
production and mixing talents of
the **DJ extraordinaire** are combined with **live instrumentation** and **powerhouse vocal**
performances. This Brisbane based band is perfect for any event.
Welcome to the sound revolution.

ABOUT THE BAND

Honey Remixed is the latest product to come out of the highly successful *Honey Music* Empire. The new millennium has seen a shift in how people listen to and enjoy live bands. This 'sound system' format utilizes all the ingredients for this new era of live music.

Highly produced and mastered tracks are expertly mixed on stage by one of Australia's hottest female DJ's. Live instrumentation is provided by the coolest of percussionists. And in true *Honey* style, the talented female vocalists are a feast for the eyes and the ears.

Honey Remixed knows how to put on a show. It is the perfect ensemble for any event in this new epoch.

It's already here. Come and join the revolution.
